

## Product Specification Sheet

### Targus Blacktop Deluxe 17" Laptop Case w/ Dome Protection Part #: CPT401DUS

#### Product Description:

The Targus Blacktop 17" Deluxe Laptop Case with Dome Protection offers unique style in a highly functional case. The patented Targus Dome Protection System™ prevents scratches caused when the screen is forced into the keyboard during travel. The padded compartment keeps your laptop safe during travel, while the durable nylon materials and signature rubber tread around the outside of the case provide a stylish design element and shock absorption. This case includes a number of storage compartments and a front flap pocket for quick access to items you need most: airline ticket, passport, PDA, pens, keys and business cards. The main compartment includes a large mesh pocket, two padded pockets for accessories as well as scratch-resistant sleeves to hold five CD/DVDs. A separate dedicated file section provides additional storage and organization. Also included is a luggage strap for easy attachment to a rolling travel case during travel.

#### Product Features and Specifications:

- **Capacity** - Designed to accommodate laptops with up to 17" screens
